

## **LGBTQQIP2SAA Cultural Competence Course**

**A 2-HOUR COURSE FOR \$199.99!!!**

### **COURSE DESCRIPTION**

This course provides instruction pertaining to cultural competency and specialized clinical training focusing on sexual orientation, gender identity, and expression as well as patients who identify as lesbian, gay, bisexual, transgender, gender non-conforming, queer, or questioning. This course is designed to empower and teach professionals about communication and inclusive language regarding the LGBTQ+ community. Moreover, this interactive presentation will discuss real-life situations/examples and how age, gender and sexuality, nationality, race, ethnicity, and religion play a significant role in the LGBTQ+ community. This robust presentation will give attendees the knowledge needed to navigate their professional and personal lives. Furthermore, all participants will receive resources/handouts that can be utilized in the future (e.g., a guide to using personal pronouns).

### **LEARNER OUTCOMES**

After completing this activity, participants will be able to:

- Identify their own identities
- Identify the difference between being an “ally with” and being an “ally for” a marginalized community
- Explain various terminologies associated with the LGBTQ+ community and sub-communities
